

## POWER/COMMUNICATION BOXES

### APPLICATION

- Power/Communication boxes are designed for the installation of receptacles and communications devices (telephone jacks, cable connectors, etc.) within the same box.

### PRODUCT FEATURES

- Rugged metallic construction.
- Unique adjustable mounting strap and patented clip-on tab allows for easy positioning.

### COMPLIANCE

- 4204 series boxes include the 1104-P partition.
- All Hubbell boxes are CSA certified, unless otherwise stated, and meet the requirements of the Canadian Electrical Code. File numbers are available upon request.
